Who We Are
The Federal Deposit Insurance Corporation (FDIC) supervises the majority of the banks in the United States (nearly 3,100 institutions); maintains the Deposit Insurance Fund of more than $124 billion; and insures customer deposits of nearly $10 trillion.

The FDIC Office of Inspector General (OIG) provides strong independent oversight to help preserve the integrity of the banking system.

The OIG’s Office of Investigations investigates complex and sophisticated crimes against banks. Perpetrators may be executives, insiders, customers, and other financial professionals. Crimes include bank fraud, money laundering, embezzlement, cybercrime, and currency manipulation.
